QUICK DRAW, MAGILLA IN FIRST TEAM-UP!

Comic book history is made this month as Quick Draw McGraw™ and Magilla Gorilla™ team up for the first time ever in HANNA-BARBERA® PRESENTS #4, now on sale.

This big three-part adventure features the lovable gorilla being sold to a gold mining camp out West and ultimately ending up as a desperado in Quick Draw's jail.

It's a madcap adventure featuring two of the zaniest hombres in the Hanna-Barbera® storehouse of stars. This hilarious comic is one you'll prize and fight to keep.

Remember -- HANNA-BARBERA® PRESENTS: Quick Draw McGraw™ and Magilla Gorilla™! (It's more fun than a barrel of monkeys or a stable of horse laughs!)

FRED FLINTSTONE, SPACE TRAVELER

Looks like we've found the world's first space traveler! His name is Fred Flintstone® and he's about to claim the moon in the name of the good people of Bedrock®!

The full details, covering every wild minute of the voyage, is in THE FLINTSTONES® #9, on sale everywhere.

This is just part of this super-charged issue, which also features Fred as a frightened witness to a vicious armed robbery and as a vacationer with Wilma to DisasterrockLand, where Captain Caveman™ is appearing.

GEORGE JETSON BREAKS FINGER!

"So what?" you ask.

So this, pal. This is the finger that pushes the button that turns the wheels that make Spacely Sprockets the giant of industry that it's become.

And where are they when that finger, and ONLY that finger, can do the job? And where then is ... George Jetson™?

This is a must-read and a must-see in a must-own issue of THE JETSONS™! That's THE JETSONS™ #9, on sale at this moment. It's the same issue that asks the question: Can George and Jane survive their unhappiest anniversary?

WINDS AWFUL TALKS GHOST TOWN

And Scooby-Doo™ and the gang are trapped!

That's the perilous predicament into plight a plenty that prevails for the persistent players -- and we're running out of "p's."

What's more, it appears to be a real live dinosaur threatening the team from the Mystery Machine™ as they explore the terrors of an Old West ghost town.

SCOOBY-DOO™ #8, now on newsstands, is a double-barreled bull's-eye that includes "The Prehysterical Dinosaur" and "The Spooky Spookhouse." Better order your issue today!

MORE BIG SCOOBY NEWS!

Watch for SCOOBY-DOO™ #11 when Dan Spiegel and Mark Evanier make their historical return to Scooby-Doo™! It's a beaut! Included with this package is a brand-new Dan Spiegel cover. Collectors beware -- this is a sellout! Also coming in HANNA-BARBERA® PRESENTS #5 is A PUP NAMED SCOOBY-DOO™. Drawn by the super H-B dynamic duo -- the two Scotts, Jeralds and Awley, who do most of these covers, and written by Bill Matheny and Laren Bright, this is a laugh riot of action and suspense.

PS Snark Preview!

Don't miss next month's HANNA-BARBERA® ALL STARS #5, when El Kabong™ makes his triumphant return to comic book pages for the first time in long years! Quick Draw McGraw's™ hilarious alter ego is back in his zaniest story ever. And as his sidekick, Baba Looey™, says, "I was afraid of dis!"

George Jetson™ is drafted! What's worse is what he does to this futuristic army, in THE JETSONS™ #10.

What's that on the cover of Caveman's Quarry? What in the world could make Fred Flintstone® a cover guy? The incredible answer is to be found in, and on the cover of, THE FLINTSTONES® #10 ... Scooby-Doo™ and Shaggy™ werewolves? Forget the question mark ... they are! It's all in SCOOBY-DOO™ #9.

Dear Editor:

I think your comics are awesome! Like Atom Ant and Secret Squirrel! The one thing I don't like is that you put them out only once a year! Can't you put them out more often than that?

Kristina Caldwell, Pelham, NH

(Thanks for the compliment, Kristina. Just to keep you informed, The Flintstones, The Jetsons and Scooby-Doo appear every month. HB All-Stars and HB Presents appear on alternate months. And though Atom Ant and Secret Squirrel have so far appeared only once, if there is more excitement like yours, you'll see them lots more often.)

H-B Comic News:

I am very happy that you have chosen to bring back Scooby-Doo to comic books. But I'd like to see the comic take on a more gothic tone and look. I'd also like you to get rid of Scrappy-Doo and return to the original concept. Haunted mansions, musty catacombs, spooky caves, vampires, witches, werewolves, mummies! I realize that I may sound like a nervy know-it-all, but I hold these convictions very strongly.

William J. Bailey, O'neals, CA

(Thanks, you nervy know-it-all. Just kidding, William, actually we wel-

come letters like yours. I think you're going to be thrilled with the innovations we've planned for Scooby and the gang. One major, major surprise that we can talk about now is that Dan Spiegle and Mark Evanier are at work on a brand new Scooby issue, their first in a long time. These most famous of all Scooby comic creators will, I'm sure, give you more than you could ever have expected. Look for their first issue (and there may be more!) very, very shortly.)

Dear H-B Comic News:

I loved your first issue of Scooby-Doo! Is Scrappy going to be in every issue? I hope so. He's too cool!

Chris Schmidt, West Fargo, ND

(Gee, Chris, how can we keep both you and Bill Bailey happy?!)

Hello H-B Comic News:

I've been reading The Flintstones comic and enjoying it immensely! I think it's a fun read and it gives me a break from more serious reading and the stress of work. I work on a dairy farm, so I'm busy 85% of the time. Having a silly, fun comic to read after a hard day of farming is a treat for me. By the way, when are you going to do a story featuring The Great Gazoo?

Tige Dickinson, White Cloud, MI

(Tige, as a matter of fact, we've got a Great Gazoo story in the works. We're also playing with Frankenstein Jr. and Peter Potamus. Thanks for all the kind words, but how could you think we're silly?)
